SANDERS DENTISTRY

Something to Smile About

Writer / Kathi Moore

The office environment is very welcoming and all the team members are highly trained and friendly. Catherine, Daphne, Kate, Beth and Dr. Sanders will do everything they can to welcome you and also to help you afford the treatment you need and want. They accept most insurance and will work out a payment plan if necessary. In fact, this high level of service earned them the 2013 Angie's List Super Service Award!

Some of their recent patient comments include, "Dr. Sanders is very gentle handling all the procedures. He always explains in detail the procedure he is doing. Overall my experience was excellent." "I was afraid I would need a root canal, etc. Thank you so much for saving my tooth!" "I have finally found a great dentist. I have been to 10+ dentists over the past decade. I fully trust him with my teeth."

Dr. Sanders is a 1990 graduate of Indiana University School of Dentistry. He has been providing a full range of dental services to Lawrence, Fishers and Indianapolis patients for more than 20 years. He is committed to providing each patient with an exceptional level of care and attention. He and his wife, Beth, live in Fishers with their four children, which include triplets. Dr. Sanders and his family are members of Holy Spirit Parish at Geist Catholic Church. He loves to golf, fish, coach baseball and basketball and spend quality family time with his wife and children.

New patients are welcome. Contact office at 317-253-8004 or office@sandersdentistry.net. Find them on Facebook and online at sandersdentistry.net

Choosing a dentist for your family is a personal thing. You need gentle and affordable care for your children as well as you and your spouse, convenient location and hours that work with your busy schedule.

Dr. Steven Sanders and his staff at Sanders Dentistry, located just off Binford Boulevard at 65th Street on Indy's NE side, pride themselves on welcoming all patients like family. This full-service practice offers implant restorations, cosmetic & general dentistry, periodontal therapy and restorative care, using the latest dental equipment for your comfort and service. Same day emergency care, teeth whitening, athletic mouth guards, TMJ splints and anti-snoring devices are also among their services.
